A

Technical drawing of a mechanical part showing dimensions and tolerances. The drawing includes a top view and a side view. The top view shows a circular part with a central hole and four rounded corners. The dimensions and tolerances are as follows:

- Overall width: 8.8
- Overall height: 2.8
- Inner hole diameter: 4.2 ± 0.1
- Inner hole diameter: 4.8 ± 0.1
- Outer diameter: 5.5
- Radius of the inner hole: Rb
- Radius of the outer hole: Rc

Remarks (Die Shop)	
--------------------	--

Notes:

- Input die parameters in the respective field to get price indication.
- This tool will give you the preferred supplier in each category based on the pricing conditions.
- In case the selected supplier in a particular category is more than 5% than the cheapest then justification is required in die order form.
- SOLID 280X180 with Shut off is not available in the price indicator, in case there is a requirement for this die. Please contact purchase.
- Price indicator color code per category
- If blank, supplier has not quoted for that size. If required to order from that supplier, please contact purchase.
- Additional Cost / Category: This indicate the percentage difference of price between cheapest to most expensive in a particular category.
- Additional Cost / Overall: This indicate the percentage difference of price between cheapest to most expensive at overall level considering all suppliers.
- Remark: Indicates the cheapest supplier overall.
