Remarks (Die Shop) _____

Notes:

- Input die parameters in the respective field to get price indication.
- This tool will give you the preferred supplier in each category based on the pricing conditions.
- In case the selected supplier in a particular category is more than 5% than the cheapest then justification is required in die order form.
- SCILIO 280X380 with Shut off is not available in the price indicator; in case there is a requirement for this die. Please contact purchase.
- Price indicator color code per category

Legend: Cheapest (Green) Most Expensive (Red)

6. If blank, supplier has not quoted for that size. If required to order from that supplier, please contact purchase.
7. Additional Cost / Category: This indicate the percentage difference of price between cheapest to most expensive in a particular category.
8. Additional Cost / Overall: This indicate the percentage difference of price between cheapest to most expensive at overall level considering all suppliers.
9. Remark: Indicates the cheapest supplier overall.
